Let's all welcome Denene Shimkus!

We have another new face on our campus! And we are very pleased to welcome Denene Shimkus as a staff member to our CHAMP Homes family! Denene has been hired as the Director of Programs at CHAMP Homes. She will be working closely with Beth and the Care Team. Over time Denene's work with the team will enable many new opportunities for growth for CHAMP participants. And one of Denene's more immediate tasks will be to finalize the infamous program/resident handbook! Hoorah! You will be hearing more in coming weeks.

Originally from the South Shore area, Denene moved to Cape Cod in 2013. She brings to our CHAMP Homes over 20 years of experience in the Human Service field. Denene has certifications in Behavioral Management Techniques, Medication Administration Practices, Sign Language (ASL), Person-Centered Goal development, Substance Abuse, Motivational Leadership and Effective Communication.

Denene has many outside-of-work interests. She teaches a Liturgical dance class at her home church, First Church (UCC) in Sandwich MA. Denene also enjoys the beaches of Cape Cod and yoga.
