

VOLUNTEER APPLICATION

We, staff and residents alike, thank you for your interest in volunteering for CHAMP Homes. We currently provide housing and support services to 65 Cape Cod residents, aged 17 to 80. Many of them are at-risk individuals who suffer from mental, physical and emotional disabilities or are recovering from addiction. Many have never experienced a loving family environment and have nowhere else to go. Without our volunteers CHAMP Homes could not exist!

Our application process involves the following steps:

Step One – Fill out this application form.

Step Two – Receive an Introductory phone call from our Volunteer Coordinator to learn more about the organization and specific volunteer opportunities.

Step Three – Visit CHAMP Homes to meet the staff, some of the residents, to tour the campus and to discuss volunteer opportunities and scheduling with the Volunteer Coordinator.

Step Four – Take part in orientation session.
